

SENIOR SALE

The next few pages represent a portion of the graduating TLBT Seniors who have dedicated years and, quite a few, most of their lives to caring for, learning about, and showing their Texas Longhorns. These fourteen heifers will be auctioned off on Friday, July 17th, at 1:00 pm in Abilene at the Taylor County Expo Center. ALL the moneys collected will go directly to the youth for their use for their future endeavors. This auction averaged \$11,280 last year and in excess of \$9,000 in both 2024 and 2023.

Once again, the Texas Longhorn Longhorn Breeders of America Foundation will run the funds so your bids and add-on's will offer some tax benefit. New for this year, the Foundation will be represented on-site and able to take your checks and process your credit cards on the spot! You can submit add-on's for one or all of the seniors through the TLBAA office through July 24.

Take a look at the catalog, select your favorite animal or youth and send some support their way!

LITTLE MISS MARY ANN

DOB: 3/30/25 Reg: CI356172

BREEDING: Not Exposed.

SHOWING RECORD: Reserve Junior Champion HOTLA LaGrange Round Up Open Haltered, 2025 Has shown successfully in both Open Haltered and Youth.

COMMENTS: Missy is a gentle one; she will scratch her head on my leg and lie down with me after a long day. On September 8, 2026, I ship out for Marine boot camp. After I get out of the Marines, I'm going to become a police officer.

JUSTIN SABIO JR

Boyd, TX | Boyd High School

EJS JASMINE

DOB: 4/27/2025 Reg: CI356345

BREEDING: Not Exposed.

SHOWING RECORD: EJS Jasmine has been shown at TLBAA and ITLA Shows as well as futurities. She has numerous class wins at various shows.

Her best performance was at the Winchester Futurity in Bryan TX where she placed in the money in a class of over 30 Females.

At the Bluegrass Futurity in Kentucky, she placed 10th in a class of 37 heifers.

I am looking forward to see how she places at the Battle on the Prairie Futurity.

COMMENTS: My name is Justin Sabio Jr. and I have graduated from Boyd High School. I am 18 years old and will be attending East Texas Baptist University in Marshall TX in the fall. I will be running for their XC and track team. I plan on studying Business with a minor in Finance. I have been involved with the Longhorn breed since 1st grade, from shows to sales to futurities. Showing Longhorns has taught me many things from bad to good. I have learned responsibility and what it is like to think of something other than myself that depends on me. Living on a ranch has taught me life lessons from running big equipment to time management to be able to get all the things done that need to be done daily all the while keeping up with my sports and school work. but I would not trade the way I grew up for anything else.

Now let's talk about my heifer - EJS Jasmine is a daughter of Dunn Step'n Up and 4-R Tierra's Baby Doll. She has great breedings in her pedigree such as, Wheels Up, Two Stepping Cowgirl, Cowboy Chex Horseshoe J Cadence and double bred Cowboy Tuff Chex. Her dam, 4-R Tierra's Babydoll has out produced herself with this phenomenal heifer, not to mention her sire has produced spectacular offspring. She has the color, horn direction, bone thickness, mass and overall an amazing temperament. If you want big boned, color, horn, disposition and overall great genetics, then EJS Jasmine is your gal.

FSR KATARA

DOB: 04/11/2024 Reg: CI352386

BREEDING: Exposed to Aragorn I Reckon from 6/24/25–8/31/25 and to SL Tito's from 10/20/25–11/5/25. She is confirmed bred.

SHOWING RECORD: 1st Edna Winterfest, Youth, 2025. 1st TLBGCA Spring Show, Youth, 2026. 1st HOTLA LaGrange Roundup, Open Haltered, 2025. 2nd Matagorda Co Fair Open Haltered/Youth, 2026.

COMMENTS: FSR Katara is out of FSR Rosie Cotton and by WP Ax'em Jax, with names like Bwana Chex, Drag Iron, WS Jamakizm, Overkill, Field of Pearls, and Hi 5's Shady Lady. Out of her pedigree, Katara comes from a line of proven, competitive cows. Her sire, WP Ax'em Jax, has over 15 titles, with almost all resulting in Grand Champion or 1st place. Her grand-dam Hi 5's Shady Lady holds around 145 titles! With the majority resulting in Grand or Reserve Champion, and only a few resulting in under 3rd place. Her grand sire, JK Over Easy, has around 25 titles to his name, with many resulting in Grand, Reserve, and 1st and 2nd. Katara is a structurally sound female with a long and deep body, level topline, an eye-catching brindle color, and a horn set that would make either a good brood cow or continue to be a show cow. What makes her a great female is her cool temperament and sweet personality. Katara can be shown by other showman that have not worked with her and have even helped others achieve high placings in showmanship.

14K'S KISS MY SASS

DOB: 01/28/2025 Reg: CI352127

BREEDING: Exposed to SL Whiskey Business starting May 2026. SL Whiskey Business was the 2022 Reserve World Champion Bull. A power-packed mating that combines unmatched consistency with world-class championship traits.

SHOWING RECORD: An undisputed powerhouse of the 25/26 show season, 14K's Kiss My Sass enters the sale the most decorated and consistently placing senior sale animal cataloged. A true banner-hanger, she dominated both the Haltered and Youth divisions on the major league circuit, securing an incredible 10 Grand Champion, 7 Reserve Grand Champion titles, alongside 22 Junior Championships. From sweeping Grand Champion honors in Haltered, Youth, and Points Only at the San Angelo Stock Show to capturing major wins at San Antonio, the State Fair of Texas, and West Texas, her consistency in the ring is unmatched. Rarely ever placed outside the top 3 across every major association and stock show, this one of a kind heifer offers proven, elite-tier show ring excellence & unmatched performance value for any premier breeding program.

COMMENTS: 14K's Kiss My Sass represents years of patient selection. Since taking over breeding decisions in junior high, my goal has been to produce cattle that pair structural soundness with undeniable show appeal. Sass is the absolute embodiment of that vision—exuding high quality, complete marketability, and a silhouette built for the winner's circle. Following graduation from homeschool studies, I plan to attend Tarleton State University to major in Agricultural Communications. Deeply rooted in a military family, I am also considering enlisting in the Texas Air National Guard to continue a proud legacy of service. Ultimately, the Texas Longhorn has been my greatest teacher. This industry has taught me that responsibility is a privilege. I am ready to apply the resilience, heart, and dedication I gained in the barn to the challenges of college and adulthood.

Grandview, TX | Maypearl High School

VICTORY LAP CP

DOB: 1/30/2025 Reg: CI355592

BREEDING: Exposed to our private herd sire, AKA the favorite bull on the ranch, CK TenBar. CK (not to be confused with CK Reid, if you know you know) is the 2022 World Grand Champion Open Haltered Bull. He produces sleek calves with the body and structure to compete. CK TenBar has honorable calving ease experience, and continues to stamp the iconic white face markings with scattered speckles painting a beautiful coat on his calves. This pairing will make a show calf!

SHOWING RECORD: 4th State Fair of Louisiana, Open Haltered/Youth, 2025; 4th Cattleman's Congress, Open Haltered, 2026; 3rd Fort Worth Stock Show, Open Haltered, 2026; 2nd San Antonio Stock Show, Youth, 2026; Reserve Junior Champion, San Angelo Stock Show, Open Haltered/Youth, 2026; 3rd NTLBA Spring Show, Youth, 2026; 3rd Houston Stock Show, Youth, 2026; 2nd ETLA Spring Show, Youth, 2026.

COMMENTS: Victory Lap CP is a heifer that shows fanciness and depth as soon as she hits you on the move. She's light on her feet and agile, but once you get her stuck on the profile, you'll get caught staring at that style and boldness she possesses. She is deep from the side, but get behind her and you won't be disappointed. "Vicky" has proven herself to be a contender in class five this year, and I have no doubt that she will continue to excel. But the best of all, I have put my heart and soul into making this heifer as gentle as I possibly can. At first, it was absolutely no sunshine and rainbows but goodness have we made a turnaround. This is the "in your pocket" heifer. She is a sucker for neck scratches and quality time. This calf has been my showmanship partner and I have no doubt you can put your kiddo on the end of her lead and go places! If not, no worries! Vicky is the easygoing heifer of the herd. Put her on a bull and she'll get to work! After high school, I will attend Texas A&M University to study Agricultural Communications and Journalism! I am so excited to be a part of the Aggie network and family. It has absolutely been my dream since I could remember to be the next 'Fightin' Texas Aggie in the family.

**BCR OLMOS A ROSE**

DOB: 9/25/24 Reg: CI352513

BREEDING: Exposed to RS Wedding Crasher, the Grand champion bull at the ITLA Championship show. His sire is Dunn Step'n Up and his dam is PRL D.J.

SHOWING RECORD: Rosie has brought in various first in classes one being at the State Fair of Texas and many association shows. Rosie also won the title of Champion senior female and Reserve Grand Champion at the Ark-La-Tex Horns in the Pineywoods show

COMMENTS: Rosie is the kind of female that can add both power and pedigree to any program. She combines an outstanding lineage packed with proven genetics, including El Coyote, Bull Creek, Dunn, Chex, and Iron bloodlines. With this combination of strength, structure, and pedigree, Rosie represents an exciting opportunity for breeders looking to elevate their herd. Adding even more value, Rosie is bred to RS Wedding Crasher, a bull backed by exceptional Dunn and Chex genetics. Wedding Crasher earned the title of Grand Champion Bull at the 2025 ITLA Championship Show, further proving the quality and consistency behind this pairing. This cross offers tremendous potential and the opportunity to add two outstanding animals to your program. Don't miss your chance to invest in proven genetics with a bright future ahead. This project is especially meaningful to me as I prepare to attend Tarleton State University this fall, where I will study Animal Science with a concentration in Pre-Veterinary Medicine. Following my time at Tarleton, I plan to pursue veterinary school and earn my Doctorate in Veterinary Medicine. My long-term goal is to build a successful Longhorn herd of my own while helping introduce more young people to the show industry and the opportunities it provides.

**HV AMERICAN HONEY**

DOB: 04/11/2025 Reg: CI354991

BREEDING: Exposed to multiple Grand Champion CK Tenbar

SHOWING RECORD: 2nd Cattleman's Congress, Open Haltered/Youth, 2026; 2nd San Angelo Stock Show, Open Haltered/Youth, 2026; 1st State Fair of Texas Youth, 2025; 1st State Fair of Louisiana, Open Haltered, 2025; 1st NTLBA Spring Show, Youth, 2026; 1st Houston Stock Show, Open Haltered/Youth, 2026; Reserve Grand Champion San Antonio Stock Show, Youth, 2026

COMMENTS: HV American Honey is a dominant heifer with extreme shape and depth of body. Her raw femininity and structural soundness makes her a force to be reckoned with in any show ring. She is extremely well-tempered and was born to show. Her sire, CL Heartache Medication, a powerful and clean bull that brings in raw shape and dimension, while maintaining an exceptional structure. Her dam is Stardust Dot CP, an elegant yet striking female who has a history of title wins in her career. HV American Honey is bred by the Welborn family at Hills and Valleys cattle. Her combination of feminine attributes and overall mass makes HV American Honey a great prospect for anyone's show string and an even better future herd builder. As for me, my passion lies in beef production around the world. I am fascinated by how agriculture changes based off the cultures and landscapes that surround it, especially when it comes to cattle. I want to learn and grow in my overall understanding of agriculture from a worldwide view, as well as immerse myself in the culture and the people that surround it. My current plans involve taking a short-term ranch management internship in South America, followed by undergraduate studies at a South American university. I then plan to attend Texas A&M to get my masters in Animal Science. I hope to one day use my skill and knowledge to travel and work with beef producers across the globe.

**CHICK-A BOOM BOOM WP**

DOB: 8/7/24 Reg: CI354991

BREEDING: Exposed to SL Titos, Open Grand Champion at TLBGCA Spring Show, 2025

SHOWING RECORD: 1st TLBGCA Open Haltered Spring show 2025 Senior Grand Champion/Reserve Grand Champion Open Haltered in Edna, 2025 Reserve Senior Champion Youth in Edna, 2025 2nd Houston Livestock Show both Youth/Open Haltered, 2026; Constantly top 2 of her class

COMMENTS: I plan to attend Texas State in the fall with a major in Nursing and after college I plan to be a Pediatric nurse. I have been showing for six years now and I am the current Senior Director for the TLBT. I am beyond proud to introduce my girl, Chick-a Boom Boom. It has been a true honor and privilege to grow alongside her over the past year. She is incredibly sweet, spunky, and wonderful with younger showmen, making her a great fit for families with little kids. In addition to her kind nature, Boom has a beautiful disposition, strong show-ring presence, and a gorgeous pop of color. I have had the privilege of working with her since she was just six months old, and watching her grow by leaps and bounds has been so rewarding, from simply learning to walk confidently to stepping into place in the show ring. I truly believe Boom would make an outstanding addition to any pasture or show team.

BNB SANJI BABY

DOB: 10/8/2024 Reg: CI351285

BREEDING: Exposed to SL Whiskey Business in March, 2026 He was the TLBAA World Expo 2022 Reserve Grand Champion Bull

SHOWING RECORD: 1st NTLBA Open Haltered Spring Show, 2026; 2nd NTLBA Youth Spring Show, 2026; 3rd Ft Worth Stock Show Open Show, 2026; 2nd Ft Worth Stock Show Youth Show, 2026; 1st ETLA Fall Shootout Youth Show, 2025; 1st TLBGCA Spring Youth Show, 2025

COMMENTS: Sanji Baby has a thick body, strong build, and a beautiful horn set that make her stand out in any pasture or show ring. Her deep body and powerful structure reflect the quality and growth that buyers look for in a productive, eye catching animal. In addition to her impressive appearance, she carries outstanding genetics that add real value to a breeding program. Strong genetics can improve horn growth, body structure, color, and overall quality in future calves, making her a smart investment for anyone looking to build a competitive and profitable herd. With her combination of looks, structure, and proven bloodlines, Sanji Baby has the potential to produce high quality offspring and bring long term value to any ranch. The proceeds from Sanji Baby's sale will help support my educational journey and future career goals. I began my college education at Weatherford College, where I am completing my core coursework before transferring to Tarleton State University to pursue a bachelor's degree in psychology. After earning my undergraduate degree, I plan to continue my education by obtaining a master's degree in clinical counseling through either Tarleton State University or Texas Christian University. My goal is to become a licensed clinical counselor dedicated to supporting individuals facing mental health challenges. As an international adoptee myself, my dream is to specialize in counseling and advocating for international adoptees, helping them navigate identity, mental health, and personal challenges while creating a supportive and understanding environment that promotes growth and healing. By investing in Sanji Baby, buyers are not only adding an exceptional female to their herd, but they are also helping support my mission of making a meaningful difference in the lives of others.
